Hollub Homes has advanced the highest standards for custom home building and renovations in South Florida for 60 years. The firm has been honored twice with the coveted "Best Of Show" award and a "Custom Home Pacesetter" award. Each home by Hollub is a unique creation featuring thoughtfully considered designs, finishes, cabinetry and detail.

By virtue of solid relationships with all our subcontracting professionals, Hollub Homes provides its buyers with a level of unprecedented service, client satisfaction, incomparable quality and workmanship. Hollub Homes are truly relationship built.

Luxury and clean sophistication define this spectacular soft contemporary lakefront estate. This strikingly elegant 5 bedroom, 5.5 bath residence has over 6,000 sq. ft. of air conditioned space and features magnificent architecture and exquisite custom finishes throughout. Beautiful ceiling treatments, marble floors, and custom cabinetry reflect the ultimate in high design.

A formal living room and formal dining room create the perfect atmosphere for grand living. A gourmet chef's kitchen includes state of the art appliances, as well as a large butler's pantry. Just off the kitchen, a light filled morning room and large family room overlook beautiful lake views.

Upstairs a grand master suite with luxurious marble bath, separate study or gym and large sitting area with private balcony. Three additional en-suite bedrooms and game room with balcony terrace complete the second floor. A private guest suite is located on the first floor. The lushly landscaped property features a dramatic resort style pool, covered loggia with summer kitchen and lake views. Other features include an elevator, motor court, 3 bay garage, hurricane resistant Solarban impact windows and doors and full house generator.
